2026-2027 Opt-In Schedule Contract for 7th-12th Grade Families

To maximize student time and opportunities for further enrichment outside the classroom, Palmyra Christian Academy allows families of students in 7th-12th grade to “opt in” to a 4-day week.

To opt in, the parent/guardian of the student in 7th-12th grade needs to sign and return this contract to confirm that this is their choice.

If the schedule is not working for the family, the family may change their schedule; however, changes need to be made only **at the end of each quarter** to minimize schedule disruptions for staff and students.

Families must opt-in to participate in 4-day weeks. If we do not receive a contract to opt-into 4 day weeks, the student will default to 5 day instruction.

Please select ONE of the following options:

_____ I would like my student(s) _____ to opt into the 4-day academic program at Palmyra Christian Academy. I understand that my student is expected to do the same amount of academic work, in 4 days instead of 5. If my student dual enrolls, I understand that they may come in on Friday if they need to catch up, since their other 4 days are not “full” days. My student will not be counted absent on those Fridays, since that day will no longer be part of their academic plan.

_____ I would like my student(s) _____ to continue with the traditional 5-day schedule. I understand that if I want to make changes to this schedule, changes will be made at the end of a quarter, unless with teacher and administrator approval.
