2026-2027 PCA Tuition Price Sheet

****All prices are based on 10 installments, August through May. Contact Mrs. Crumrine if you would like to set up a different payment schedule. To protect the school from nonpayment, the first and last month's tuition payments are due in August.****

The below rates are discounted. The tuition rates do not cover the full cost of educating each student. We rely on generous donations, fundraisers, and grants to make up the difference. The costs listed below are for families who are *not* receiving scholarships such as MOSCHOLARS, ACE scholarships, etc. **The non-discounted rate per year for tuition, registration, and fees is \$6,900 per student.** This is closer to the actual cost of educating each student. If a family does *not* receive a full scholarship such as MOSCHOLARS, they are able to pay the discounted rates below:
